INNOVATION CLUB

The Innovation club has been started from December, 2021 with support of State innovation club, Higher Education, Government of Gujarat. Innovation club is a concept to inspire and indulge non-technical students to work on their ideas and convert them into startups. The Innovation Club has been set up in Government, Non-Government, Grantee in Aid Colleges and Gram Vidhyapith, all over the State of Gujarat with the noble intention that even non-technical students, (studying in Arts, Commerce and Science Colleges) under which plentiful number of students will be encouraged for creative ideas and will be prepared for startups. With help of innovation club students can generate their ideas and convert these ideas into real life products with tools provided by innovation club.

OBJECTIVES

- Gujarat students advance in the field of innovation, research and startup.
- Students studying in the fields of arts, commerce and science start a business and build a career.
- Entrepreneurial activities gain momentum.
- Innovative Ideas will create prototype models through new technology.
