EnglishScore is suitable for prospective employees and jobseekers as they enter employment. The test assesses all four language skills: **reading, listening, speaking and writing**, as well as knowledge of grammar and vocabulary.

1. CEPT (Cambridge English Placement Test)

- CEPT is a General English test for an initial evaluation of the candidates' language knowledge from below A1 to C levels of the Common European Framework of Reference (CEFR).
- CEPT is an online test of General English used for candidate placement purposes?
- The 30-minute test focuses on the skills of Reading, Writing Use of English and Listening.
- CEPT is an adaptive test, so, based on the students' answers, the test becomes progressively easier or more difficult until a consistent level of ability is achieved, and the students' level of English can be identified.
- The results are instant, presented in a clear, easy-to-understand report. The score is based on a scale from 0 to 50 converted into the Common European Framework of Reference (CEFR) from below A1 to C levels.

The chart gives an overview of how Cambridge English exams are aligned to the Common European Framework of Reference (CEFR) for Languages.

At this CEFR level you:

College Activity & The English Language Lab

- Government Commerce College, Vadali organized every year CEPT examination in English Language lab at GCC, Vadali.
- All students registered (100 per cent registration) in the SCOPE –OAS examination CEPT and 100% of students are successfully awarded with certificates.
- The English language Lab has been used to facilitate classroom engagement and interaction via computer-based exercises and activities to maximize proficiency in language components (vocabulary and pronunciation) and in language skills (listening, speaking, reading and writing).
- The English Language lab provides a diverse experience from the conventional system of teaching and learning English language communication skills and offers advanced features such as authentic recorded materials, spoken by different native speakers, that expose the students to the near – ideal pronunciation of native speakers.
- The English language lab allows students to reinforce the subject modules learnt during their classroom lectures and practice the tasks/exercises proactively through interactive activities.
- Monitoring and Evaluation: Faculties get to monitor student lab activities and receive instant reports on their performance in tasks/exercises which can be utilized to customize the teaching and learning activities to maximize language competence in the lab and in the classroom.
